

**\$250 off first month of
service**

Terms & Conditions

August 2023

The Promotional Terms & Conditions below apply in addition to LEX Reception's standard [Terms & Conditions of Service](#).

The promotion qualifies any new customer who is a member of The State Bar of Texas and who is signing up to LEX Reception for \$250 off their first month of service on any plan value.

To qualify either 'The State Bar of Texas' must be referenced within communication to a LEX Reception representative prior to signing up, or [this link](#) must be used if signing up online.

During the first month promotion period, any overages of minutes used outside the plan will be charged at LEX Reception's standard rate, based on the chosen plan.

Should the chosen plan change (by downgrading or upgrading) within the one month promotion period, the \$250 discount will still apply.

At the end of the one month promotion period, it is the customer's responsibility to adjust their plan should they wish to do so. If the plan is not adjusted manually, the plan will revert to the standard pricing for the minute plan that they signed up on.

The promotion is valid while The State Bar of Texas is an partner of LEX Reception.

The promotion is not open to existing LEX Reception clients.

The promotion is not valid in conjunction with any other promotion.

The promotion may be withdrawn, suspended, or amended at any time by LEX Reception.

LEX Reception reserves the right to amend these terms and conditions for new sign ups at any time without prior notice.
